

Application for organizations that received funding within the last three years

Request

Please indicate in the first sentence the dollar amount requested and a concise purpose for the application.

Describe the reason for this request and specify how the money will be used. Include in the description the constituency or population served, a timetable for implementation (if applicable), and why the program/project is needed now.

Describe plans for sustaining the program. If this request is for operating support please explain how the organization will continue to function if funds are not forthcoming.

Explain how an evaluation will be completed and what information will be gathered and studied for this request. What do you intend to evaluate?

List the date, purpose and amount of funding your organization has received from the Dresher Foundation.

Organization

Provide details of any significant changes within your organization since your last application to the Dresher Foundation such as a new chief executive, change of focus or client base, or expansion or reduction of services.
